SUMMARY

I am a dedicated and compassionate professional with a strong background in university teaching, museology, academic carework, and digital accessibility looking to secure more stable and equally rewarding work within the CU system.

ACADEMIC PROJECT MANAGEMENT EXPERIENCE

COMMUNICATION AND PROJECT ADMINISTRATOR

CU Boulder Program in Jewish Studies | 2021 – Present

I promote the Program in Jewish Studies by managing communications channels, engaging students, faculty, and community through public programs, and by providing administrative assistance to the Program Manager, Director, and Singer Chair.

- Outreach, Marketing, and Communication
- Website and Social Media Content Creation and Management
- Event Planning and Execution
- Coordinate travel and reimbursement for JWST visitors
- Post-Holocaust American Judaism Collections Assistance

EDUCATIONAL DESIGN EXPERT

Anderson Language and Technology Center (ALTEC) | 2020 – Present

I am producing a series of open access online learning modules to support student learning of Tibetan as part of [a UISFL grant awarded to the Center for Asian Studies](#). I also serve as Project Manager for a 3-year Curriculum Quality project based on CU Boulder's [Quality Teaching Initiative](#) that aims to improve the non-credit language classes, as well as support and empower ALTEC's contingent faculty.

- Facilitated [ALTEC/BGHRA partnership](#) for free classes for Black learners
- Designed [FREE Foundations Course](#) for 7 languages
- Designed [syllabi templates for all ALTEC language classes](#)
- Created the [placement assessment for non-credit German classes](#)

LECTURER OF GERMAN
